

Savor the Moment with Mountain's Goat:

The art of mindful drinking

MOUNTAIN'S GOAT

ON THE ROCKS

mountains-goat.at

In this brochure, we invite you to embark on a journey with Mountain's Goat, where you'll discover how this exceptional beverage embodies the essence of mindful drinking. Join us as we explore the exquisite flavors of bitter Alpine herbs and delve into the world of mixology, where creativity and consciousness unite in every glass.

Let Mountain's Goat be your guide to the present moment, where awareness and enjoyment become one, and the Alpen Spirit comes to life in every sip.

Mindful Drinking is not just a trend; it's a lifestyle that promotes conscious consumption and a deeper connection to our surroundings.

As we explore the art of mixology, Mountain's Goat becomes our canvas, allowing us to craft exquisite cocktails that resonate with the essence of the Alps.

With each carefully measured ingredient, we blend tradition with innovation, creating drinks that are not just indulgent but also mindful expressions of our appreciation for life's simple pleasures.

Mountain's Goat Alpen Tonic

is the quinine-free minimalist among the bitter refreshment drinks and captivates with its extraordinary taste composition made up of a short ingredient list of high-quality aromas of bitter alpine herbs such as vermouth, stabwort, staffwort and noble rue, as well as terpenes with cannabis profil.

It doesn't take much to have it all.

The creation of our unique drinks is the result of a close collaboration with our Goat friend and mixologist, Stephan Haas. With his extensive expertise from the outset, Stephan, the heart and soul of Fuchs & Hase Bar in Innsbruck, Austria, crafted a distinctive selection of signature drinks for Mountain's Goat. Stephan designed these drinks with a focus on versatility and reproducibility. Our selection offers something for every palate, from refreshingly light to exquisitely extraordinary. Each drink reflects his craftsmanship and passion for mixology. Furthermore, the drinks are categorized based on their complexity and alcohol content, ensuring that you can find exactly what you're looking for while also having the opportunity to be enchanted by intricate, creative cocktails.
